#### **Stargazer**

It's amazing how things as small as my fingertips  
can make me the astronomer of your body  
by finding the places constellations decided  
to rest on the galaxy of your skin.  
They sung to celestial bodies,  
I sing to the wonder that is you -  
unreachable universe I thought you first,  
now you lend me the power to converge  
and I leave myself for my soul to live  
on one of the sacred stars yet unexplored.  
Let me in this dream part to be  
and let the melody of this infinity -  
that is your voice - carry the feeling  
of fleeting happiness  
towards nothingness, my unrequited love.
